Bundesverband e.V.

My diagnostic journey from optic neuritis to NMOSD

My journey continued after my diagnosis

From NMOSD patient to NMOSD patient advocate

2017

Information session for patients Erasmus MC

2020

Start of the working group as a part of the Dutch MS organization

What did I learn as a patient - experiences

NMOSD ≠ MS

Good, reliable
information

Referral with information
on NMOSD

What did I learn as a patient - challenges

Availability of medication

Contact with other patients

Collaborate in Europe

Long-term effects of medication

Thank you!
