MS and employment: "Good out of bad"

JANUARY 13, 2016

Emma Rogan is a person with multiple sclerosis (MS), an MS advocate and the coordinator of EMSP's Believe and Achieve (B&A) programme. She is also a here) have had their own understanding of workplace health and chronic illness... [read more](#)

MEP Rosa Estaras-Ferragut: Q&A on MS and employment

OCTOBER 15, 2015

Member of the European Parliament Rosa Estaras-Ferragut is one of the main supporters of EMSP's Employment Pact for people with multiple sclerosis (MS) and other neurodegenerative diseases. She signed our Call to Action and she also agreed... [read more](#)

Looking forward -II

Recent Health Policy Initiatives in MS and beyond, e.g.

- MS in the 21st century
- State of MS
- Brain Health - Time matters
- MS Consumer Survey
- Pan European Patient Survey
- Inequalities in access – a CRA study
- EBC: Value of Treatment
- ...

EMA's therapy information

One click access to **E**uropean **P**ublic **A**ssessment **R**eports for all EMA approved therapies in Multiple Sclerosis

Information tool on clinical trials in MS

- Identification of suitable and interested persons with Multiple Sclerosis for new clinical trials is becoming a major challenge for researchers
- An information tool on the EMSP website being build with the help of relevant stakeholders might be the answer...
