MS Hive Launch Event

February 25, 2021

12:30-13:30 CET

MS: to university and beyond

What?

- Digital community for university students living with MS in the UK and Ireland
- Facebook group
- Webinar series

Why?

- My own experience and MS journey
- MS is commonly diagnosed in people in their 20s and 30s
- To empower university students living with MS to thrive through university and conquer their ambitions after graduation...by sharing stories and advice from those who already have.

How did the project come into being?

- Volunteering
- Workshops with **EMSP and Campaign Accelerator** - bridging the gap between young people with MS and MS organisations
- Project proposal
- Setting SMART goals, thinking about allies, targets and audiences
- Creating a team: Aoife, Anna-Lena, Niamh
- Working with MS Society Cymru

Next steps

- Making sure that uni students who have MS know that it exists if they'd like to join
- Create the webinar series in collaboration with young people who have MS

How can you get involved?

1. Join the Facebook page and share it with your peers
2. Email **emspcaproject@gmail.com** if you'd like to get in touch
